For events other than Freestyle and Compulsory, skaters may be grouped according to the new Open Freestyle groupings. In Open Freestyle events, skaters may skate in a higher level if they elect to, based on test equivalents, but may not skate at a lower level. USFS skaters who have only taken the ISI Open FS tests may skate up from the equivalencies noted in the chart above, but must also have passed the higher Open FS test they are competing in. (Example: a skater who has passed the USFS Preliminary FS test is eligible to compete in Silver Open FS events as long as he/she has passed the Silver Open Freestyle test, but may compete in Gold Open FS provided the skater has also passed the Open Gold FS test). **Please note that Open FS events do have limitations on permitted maneuvers.**

### **Information on ISI Open Freestyle:**

USFS skaters who have already passed pre-preliminary, adult pre-bronze or any higher tests and wish to compete in ISI Freestyle events do not need to go back and pass any previous ISI tests. They only must have passed the ISI Open Freestyle test that corresponds to their current USFS level. ISI Freestyle skaters do not have to pass any additional test(s) to compete in the Open Freestyle Event at the corresponding test level below.

<b>Passed USFS Test</b>	<b>Passed ISI Test</b>	<b>Open Freestyle Level</b>

**For Artistic, Interpretive, Solo Spotlight, Couples Spotlight, and Rhythmic events, FS6-7/Gold level skaters can include any maneuvers in those programs.**

### **Check In and Registration**

All competitors must register no later than 45 minutes prior to the scheduled event. We reserve the right to hold events up to 30 minutes prior to their scheduled time.

### **Music**

All music MUST be digitally uploaded through EntryEeze site. We strongly recommend having a back up of all music needed in the competition preferably on phone or digital tablet. Music must be uploaded by February 14, 2023. If uploaded after February 15 there will be a \$25.00 late fee to upload music. There will be a \$25.00 fee to change any music after February 14, 2023.

### **Web Site**

Visit [www.sqsaparade.com](http://www.sqsaparade.com) starting in February 2023 for information on actual competition schedule, available practice ice and any other updated information. Preliminary competition schedule will be posted in mid-February and the final schedule will be emailed to team liaisons. There may be minor time changes in events and resurfacings when final schedule is posted.

### **General Rules**

- Skaters in all events are permitted to perform any maneuvers out of a lower test level.
- If the wrong music is played and the skater stops and notifies the referee within the first 20 seconds, the skater may re-skate the program.
- The designated referee will decide the action on any mishap or unforeseen difficulty. An untied skate or forgotten program falls under the referee's jurisdiction.
- No coaching is allowed during interpretive or stroking events.
- Uncaptured gliding maneuvers and Uncaptured jumps and spins may be performed as stated in the 2022 ISI Competitors Handbook.

**All competition rules will be in accordance with the current ISI Handbook in effect at the time of the competition. Should anything in the below summary rules not be clear, the 2022 ISI official publications will govern the events.**

### **Tot – Delta Program**

Skaters will execute all required compulsory moves in a 1 minute program to music. All skaters in Pre-Alpha through Delta must add one additional maneuver from Freestyle 1 to their program. In Delta, the skater has a "Choice-of-One" maneuver listed in the manual. This means that only one maneuver should be performed. In case of misinterpretation of "Choice-of-One", the performance of the first maneuver will be judged. Duration: 1 minute

### **Freestyle 1 - 10 Program**

All skaters in Freestyle 1 - 10 are not permitted to perform any additional maneuvers from higher test levels. In Freestyle 3, 6, 7 and 8 certain maneuvers are listed under "Choice-of-One". This means only one of the maneuvers may be performed. If more than one is performed, only the first maneuver will be judged. Skaters who compete in the Freestyle 1 – 10 events can ALSO compete in the Open Freestyle event, as long as they compete at the correct level. See chart in ISI Handbook for additional information.

### **Open Freestyle**

Skaters can participate in both Open Freestyle and Freestyle 1 - 10. In Open Freestyle there are no required maneuvers, but skaters are limited to the jump elements listed below. Skaters can perform any spin at any level. All open freestyle programs are judged on quality not quantity of maneuvers performed.

Bronze Level/Freestyle 1 - 3	Jumps from Freestyle 3 and below	2 minutes
Silver Level/Freestyle 4 - 5	Jumps from Freestyle 5 and below	2 minutes
Gold Short Program/Freestyle 6 – 7	Jumps from Freestyle 7 and below	2 minutes
Gold Level/Freestyle 6 - 7	Jumps from Freestyle 7 and below	3 minutes
Platinum Short Program/Freestyle 8 – 10	Any maneuvers	2:50
Platinum Level/Freestyle 8 - 10	Any maneuvers	3:20
Platinum Plus/Freestyle 8 – 10	Any maneuvers	4:30

### **Stroking – Pre Alpha – FS3**

Skaters will perform forward stroking in both directions to music selected by the host rink. Skaters will be grouped by age and test levels. Crossovers are now required on the end pattern and will be judged. There will be NO warm up for stroking events. \*Coaches may not help skater during the actual event.

### **Footwork Freestyle 1 - 10**

Skaters are grouped together by age and ability level, and perform to a program to music containing a footwork sequence of their own design. Skaters must have passed Freestyle 1 or Dance 1 to compete in footwork events. Skaters must perform at their highest test level of Dance or Freestyle achieved. **One half** rotation jumps and spins of less than 3 revolutions are permitted. (Note: ½ loop is a **full** rotation jump and not acceptable). ½ loop stop is an uncaptured move; it MUST LAND AND STOP on both feet (toe picks) without gliding on the landing. Duration: 1 minute

### **Interpretive Freestyle 1 - 10**

In this event, the skater interprets a piece of music, which is heard for the first time just prior to the event. At Bold Ice Skating Challenge, skaters will be given a prop that corresponds with the music. **\*Coaches may not help their skater**

### **Compulsory – Pre Alpha through Freestyle 10**

There will be no music for Compulsory programs. For each level, the skater will perform only the 3 maneuvers listed below. Each maneuver may be performed or attempted only once. Additional maneuvers, such as any jump, spin or gliding maneuvers from any test level and any uncaptured moves are not allowed. This includes, but is not limited to: toe taps, lunges, bunny hops, pivots, etc. Compulsory events Pre Alpha through Freestyle 3 will be skating on half ice. Skaters will be assigned to the Zamboni end, or the Lobby end. There is no penalty for the quantity of swizzles, strokes, or crossovers in the Pre Alpha – Beta levels. Only the quality of these maneuvers is judged, however, skaters should strive to do the minimum number listed below.

### **Freestyle 1 - 3 will use ½ sheet of ice**

Pre Alpha:	Forward Swizzle (5), Backward Swizzle (5), 2 ft Glide
Alpha:	Forward Stroking (5), Right Forward Crossovers (5), Snowplow Stop
Beta:	Backward Stroking (6), Right Backward Crossovers (5), Right OR Left foot T Stop
Gamma:	Right Forward Outside 3 Turn, Left Mohawk Combination, Hockey Stop
Delta:	Bunny Hop, Shoot the Duck OR Lunge, Left Forward Inside 3 Turn
Freestyle 1:	Waltz Jump, Spiral, Two-Foot Spin
Freestyle 2:	½ lutz, One-Foot Spin, Two Forward Spirals

### **Freestyle 4 - 10 will use full ice surface**

Freestyle 4:	Flip Jump, Sit Spin, One-Half Loop Jump
Freestyle 5:	Back Scratch, Axel Jump, Lutz Jump
Freestyle 6:	Double Salchow Jump, Split Jump, Spin Combination (w/change of foot and position)
Freestyle 7:	Flying Camel, Opposite Jump, Double Toe Loop Jump
Freestyle 8:	Double Flip Jump, Split Lutz, Flying Sit Spin

Freestyle 10:	Death Drop, Double Axel-Double Toe Loop Combination, Triple Edge Jump of the skater's choice

**Skaters who have only passed the Open FS tests who wish to compete in a Compulsory event must do so in the following Compulsory Event Levels:**

Skaters that have only passed the Bronze Open FS test, must compete in Compulsory FS3. Skaters who have passed the Silver Open FS test, must compete in Compulsory FS5. Skaters that have passed the Gold Open FS test, must compete in Compulsory FS7. Skaters that have passed the Platinum Open FS test, may choose to compete in Compulsory FS8, FS9, or FS10 (please note the desired level on the registration form).

**Solo Spotlight – Pre Alpha – Freestyle 10**

Skaters may choose to enter one or more of the following categories, but different programs must be performed if entering more than one category. Skaters may use a prop.

**Character** - the skater portrays a famous, easily recognizable character.

**Light Entertainment** - the skater performs a light-hearted, vaudeville type program using music, dance and skating moves.

**Dramatic** - an artistic theatrical performance by individual skaters that evokes an emotional response from the judges and audience. The skater's interpretation should create a mood that is enhanced by the style, creativity, costuming and props (optional). The overall impression at the conclusion of the performance should be that it was a dramatic performance, not lighthearted as the light entertainment category.

**Artistic Skating Freestyle 1 - 10**

There are no required maneuvers in Artistic Skating, but there are maneuver limitations. Emphasis should be placed on the creative and innovative design of a skating program. Strong edges, body positions, flow, music interpretation, rhythm, choreography and artistry should be the main focus. There is no grade for technical merit.

**Rhythmic Skating Freestyle 1 – 10**

Rhythmic Skating will be offered for skaters in Freestyle 1 - 10. This entertaining routine requires the use of a hand prop. The program should contain elements that employ the use of the prop throughout the program. The skater must maintain control of their prop at all times. Spotlight entrance and exit rules apply. Props will not be allowed on the warm-up. Skaters must choose only one of the following props: Hoop, Ball, or Ribbon.

**Jump & Spin Teams (sign up on the Individual entry form and list your partner name in the space provided)**

This fun event is for teams of two (2) skaters. The teams can be made up of two friends in the same level category, but not necessarily the same test level. Skaters may skate above their tested level, but cannot skate below their Category Level. Within each Category Level, a skater's choice is not restricted by her/his Freestyle test level. If two skaters from different levels wish to compete together, the jump & spin team will be entered into the highest level of the 2 skaters.

**Skaters who have only passed the Open FS test can enter this event but cannot skate below their corresponding category levels.**

<b>Category Levels &amp; Required Maneuvers:</b>	Low:	Pre-Alpha – Delta	Jump: Two Foot Hop or Bunny Hop Spin: Two Foot
	Bronze:	Freestyle 1 – 3	Jump: 1/2 Flip or Toe Loop Spin: Two Foot or One Foot
	Silver:	Freestyle 4 – 5	Jump: 1/2 Loop or Axel Spin: Sit Spin or Back Spin
	Gold:	Freestyle 6 – 7	Jump: Double Salchow or Double Toe Loop Spin: Flying Camel or Layback
	Platinum:	Freestyle 8 – 10	Jump: Double Loop or Double Lutz Spin: Flying Sit or Camel Jump Camel

One team of two (2) skaters enters the ice together and stops. The first skater begins and performs the same jump two (2) times. After the second attempt, the first skater stops. The second skater then begins to perform the same spin two (2) times. After the second attempt, the second skater stops.

The same maneuver is performed 2 times, **but only the best attempt is scored**. The maneuvers are only judged for technical accuracy – and not for the difficulty of the maneuver performed.

**Depending on number of entries, Low, Bronze, and Silver may be performed on 1/2 sheet of ice, with skaters assigned to either Zamboni end or Lobby end. Full ice will be used for all Gold and Platinum Teams. Teams will have a warm-up.**

Additional maneuvers and connecting steps are not permitted. Duration is not judged, however, team duration is one minute. Skater substitutions are permitted at the discretion of the Competition Director; however, **a skater may participate on only one Jump & Spin Team at each competition.**

# **TEAM EVENTS: (sign up using the Team entry form)**

## **Family Spotlight**

Two or more family members can perform an entertaining spotlight routine using costumes and props. If necessary, the event groupings are divided first by the number of skaters and then by age groups and/or ability levels. Duration: 1:30

## **Team Compulsory Freestyle 1 – 10**

Skaters are not permitted to skate below their test level registered at the ISI National Office. Any skater may skate over her/his level (i.e. a Freestyle 3 skater may skate on a Freestyle 5 team, but may not skate on a Freestyle 2 team). Individual skaters may participate on more than one team as long as they are not on two teams at the same freestyle level. The team must perform their program to music with all required maneuvers performed in order, as listed in the ISI Handbook. Coaches should fill out the team entry form.

**\*\*It is important that the skater performing the required maneuver is highlighted and seen easily by the judges.**

## **Ensemble Team:**

This event is open to groups of 3 – 7 skaters of all levels and ages. Skaters will be judged on the entertainment and performance value of the program. There are NO required maneuvers and no technical score; skating maneuvers can be performed at any level. The group must use the music, along with costumes and props, to enhance the theme of their program.

## **Production Team:**

Production teams consist of 8-32 skaters and can be divided into Small (8-14), Medium (15-22), Large (23-32) categories. Props and costumes should be used to illustrate a creative and artistic program. Any and all maneuvers are allowed. Please see the current ISI Handbook for further information.

## **Synchronized Skating**

Please see 2022 ISI Handbook for current information. All ISI Synchronized Teams are required to register annually with ISI office, free of charge, to receive an ISI number. This number is required on all entry forms
