Estimated Trip Cost: \$975 (includes hotel, flight, ground transportation, food, and team events)

FUNdraising and Volunteering

Our team relies on fundraising opportunities to keep our costs low. In order to meet our fundraising goals, participation from skaters and family members is essential. Team fundraising requirements are: Returning members are asked to volunteer 6 hours and new members 4 hours. Of those hours, 4 hours must be done by the skater. A \$50 deposit will be collected at the first booster club meeting, unless your skater has met the volunteer requirement. Planned fundraising opportunities that count toward the requirements include grocery bagging at Cub and Kowalski's, Raffle ticket sales, Car Wash and Pancake Breakfast. We will also have team events such as Chipotle Night and our biggest fundraiser, the Silent Auction, which takes place at our Ice Show March 5-7.
